

How, how much, and when are $UA(1)$ and chiral symmetry restored: T -dependence of axions, eta and eta prime

Friday 6 December 2019 11:00 (20 minutes)

Presenters: KLABUCAR, Dubravko (University of Zagreb); KLABUCAR, Dubravko (University of Zagreb); KLABUČAR, Dubravko (Physics department, PMF, University of Zagreb)

Session Classification: Chiral symmetry and QCD phases (section chair: A. Mazeliauskas)
