

The 8th Asian Triangle Heavy-Ion Conference (ATHIC2021)

Monday, 8 November 2021

Invited Session 5: Electromagnetic probes & QCD at high temperature - Room 107 (14:00 - 15:40)

-Conveners: Peng-fei Zhuang

time	[id] title	presenter
14:00	[172] The Electromagnetic probes from coherent photon induced reactions in heavy-ion collisions	ZHA, Wang-Mei
14:25	[171] Photo-production in heavy-ion collisions	KIM, Yongsun
14:50	[147] Flavored hadron correlations and interactions from heavy ion collisions	AKIRA OHNISHI
15:15	[149] Recent measurements of hadron interactions from the Heavy-Ion Collision Experiments	NEHA SHAH
