DISCRETE 2022
Ulrich Nierste
KIT Center for particle and astroparticle physics
DISCRETE 2022

will take place in

Baden-Baden

November 7-11, 2022
Why 3 weeks earlier than DISCRETE 2020-2021?

- avoid overlap with football world cup and partially unattentive audience
- chance to be ahead of the winter Covid-19 wave
Baden-Baden

is a 19th-century spa town, a showcase example of the *Belle Epoque* and in 2021 won the title of UNESCO World Heritage together with 10 other European spa towns.

has its roots as a Roman bath (thermae et balneae) built in the 2nd or 3rd century

is located in the hills of the Black Forest
