## Prospects on primordial black holes as dark matter

*Thursday 10 September 2020 18:10 (25 minutes)*

I will present an overview of primordial black holes as dark matter candidates, across a wide range of masses and detection methods.

### Is this abstract from experiment?

No

### Internet talk

Yes

### Name of experiment and experimental site

N/A

### Is the speaker for that presentation defined?

Yes

### Details

Stefano Profumo (UCSC), Professor of Physics and Director of Graduate Studies; Deputy Director for Theory, Santa Cruz Institute for Particle Physics

**Primary author:** PROFUMO, Stefano (University of California, Santa Cruz)

**Presenter:** PROFUMO, Stefano (University of California, Santa Cruz)

**Session Classification:** Workshop on New physics paradigms after Higgs and gravitational wave discoveries
