- masque is **not needed** at the beach
- every table in the OAC restaurant must host **maximally** 4 people
- when you go out for a walk, you should not be more than **9 persons** staying nearby all together
- **penalty** for missing masque is **150 EU**

9th International Conference on New Frontiers in Physics (ICNFP 2020)

4-12 September 2020, OAC, Kolymbari, Crete

Program of lectures

15:15-16:00

Sebastian Andres Olivares Pino “The Higgs boson at the LHC”

16:30-17:15

Theodota Lagouri “Hidden/Dark Sector Physics”

17:15-18:00

Blaise Delaney “Machine Learning in LHCb”

9th International Conference on New Frontiers in Physics (ICNFP 2020)

4-12 September 2020, OAC, Kolymbari, Crete

Events in the evening of 4th September

18:00-19:00

Katerina Karkala. Talk on History of OAC Chapel and Meaning of Blessing. Blessing

19:15-20:00

Emanuela Larentzakis. Talk in room 1: History of Crete
