

9th International Conference on New Frontiers in Physics (ICNFP 2020)

Wednesday, 9 September 2020

Mini Workshop on Instruments and Methods in HEP - Room 1 (11:50 - 13:30)

time	[id] title	presenter
11:50	[96] The upgrade of the CMS electromagnetic calorimeter: future prospects for precision timing and energy measurements at the High Luminosity LHC	Dr BIINO, Cristina
12:15	[213] The upgrade of the CMS detector for the High Luminosity LHC	Dr CHATTERJEE, Rajdeep Mohan
12:40	[156] Overview and recent results of the CMS Muon System Upgrade	ARUTA, Caterina
13:05	[80] Overview of the PANDA Detector design at FAIR	Dr BELIAS, Anastasios
