

New Building MTE

Meeting Minutes

26 November 2019

Presents: S.Mehanneche (EN-ACE), R.Rinaldesi (EN-HE), J. Molina (IT-CS), J. Etheridge (EN-ACE), M. Manfredi (SMB-SE), J. Dauge (SMB-SE), V. Namora (TE-ABT)

a) The first 3D model of the building was presented – Smarteam n° ST1214289_01

Comments:

- Replace the existing crane model by the new one.
- Decide which type of racks will be installed (green/blues ones)
- If equipment on the roof, don't forget the access to it
- Check if the building can be wider

b) EN/CV contribution – Meeting helded with M. Battistin. Informed that EN/CV will only have resources to the project by March 2020.

- i. Preliminary surface need of about 30m².
- ii. 2 to 3 months need for installation

c) Ask for input from EN/EL.

d) New meeting in February 2020.
