

Higgs boson measurements in final states with taus at CMS

Thursday 30 July 2020 09:30 (18 minutes)

The most recent CMS results on Higgs boson measurements in final states with tau leptons will be presented.

I read the instructions

Secondary track (number)

Primary author: WINTERBOTTOM, Daniel (Imperial College, Univ. of London)

Presenter: WINTERBOTTOM, Daniel (Imperial College, Univ. of London)

Session Classification: Higgs Physics

Track Classification: 01. Higgs Physics
