

Higgs boson measurements in the WW and ZZ final states with the CMS Detector

Thursday, 30 July 2020 08:00 (18 minutes)

The most recent measurements of Higgs boson properties in the H->WW and H->ZZ channels at CMS will be presented.

I read the instructions

Secondary track (number)

Primary author: BONANOMI, Matteo (LLR, Ecole Polytech., IN2P3-CNRS)

Presenter: BONANOMI, Matteo (LLR, Ecole Polytech., IN2P3-CNRS)

Session Classification: Higgs Physics

Track Classification: 01. Higgs Physics
