

41st International Conference on High Energy Physics, (ICHEP 2022), Bologna

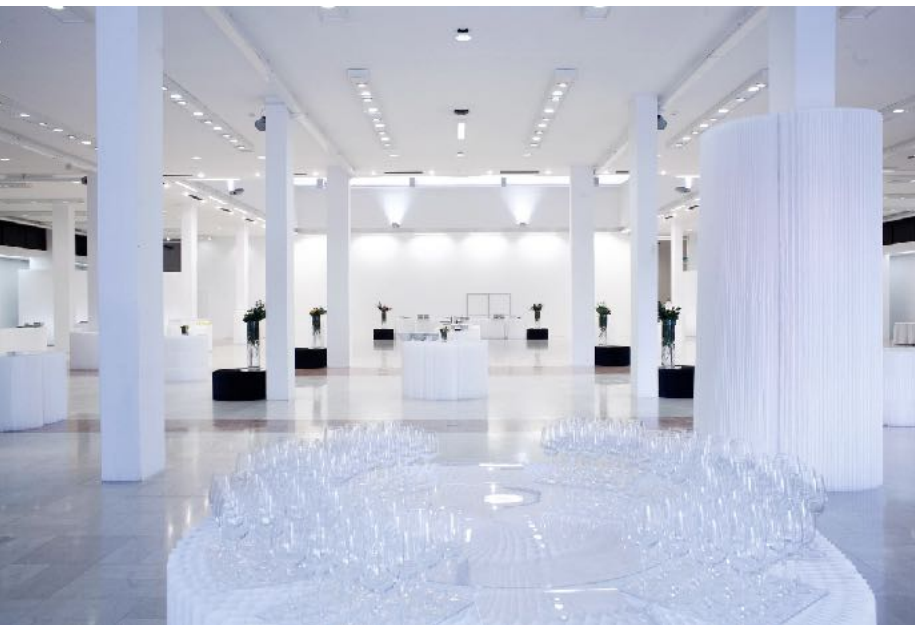

July 6-13 2022

ICHEP 2022

Venue - Bologna Conference Center

Dates of
the event

July 6th - July 13th 2022

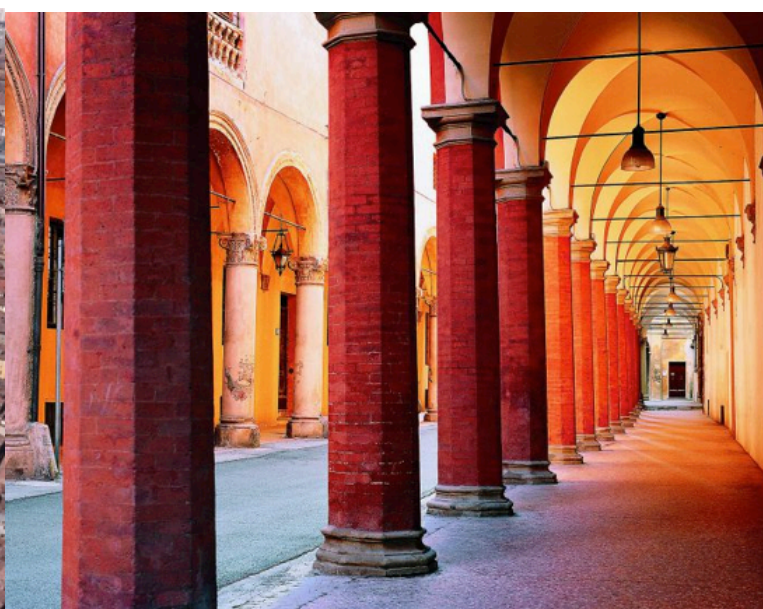

ICHEP conference will be hosted for the first time in Italy!

Bologna

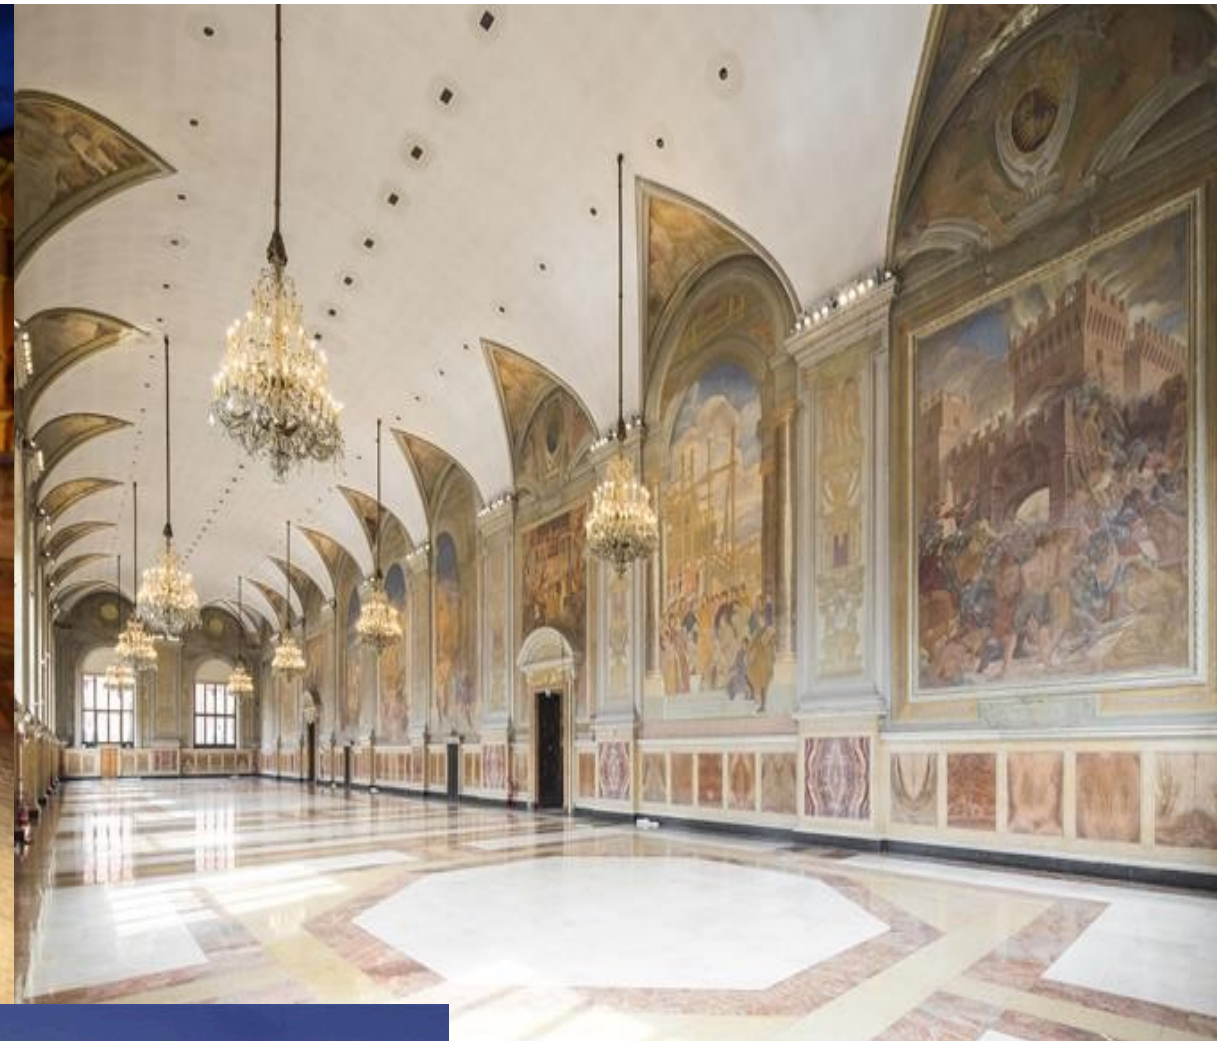

University of Bologna “Alma Mater Studiorum” founded in **1088**.
One of the biggest Italian universities and the oldest of the Western world.

City centre, dating back to **Middle-Age** with an homogeneous mixture of monuments, churches, museums, antique buildings and other architectural features, such as its famous medieval towers and “portici”

Gala dinner venue

**Palazzo
Re
Enzo**

Surrounded by the magical atmosphere of Piazza Maggiore, in the heart of the city, Palazzo Re Enzo today combines the charm of a building of XIII Century with cutting-edge technology.

Invitation to Bologna

A wide-angle photograph of Piazza Maggiore in Bologna, Italy, taken at dusk. The main building, the Palazzo del Comune, is illuminated with warm lights, highlighting its brick facade and arched windows. The tower of the Basilica di San Petronio rises behind the building. The square is paved with large stone tiles, and a few people are visible walking in the distance.

**We look forward to see you all in
Bologna on July 6, 2022 !**
