

# **CFTC-UL, UA and LIP meeting - Experiment vs. theory**

**Thursday 30 January 2020 - Friday 31 January 2020**

**Universidade de Minho**

## **Scientific Programme**

## **The LHC is restarting soon!**

There is still plenty to be done at the LHC. This workshop is about what we can do together to make the most of the next LHC runs as experimentalist and as theorists.
