Towards a Muon Collider

Monday, 23 August 2021 17:00 (30 minutes)

After the recent update of the European Strategy an International Muon Collider Collaboration is forming. The talk will give an overview of the project and the plans of the collaboration. It will highlight some of the challenges and the technologies to address them.

Presenter: METRAL, Elias (CERN)

Session Classification: Lepton Colliders

Track Classification: Lepton Colliders
