FTS & XRootD Workshop

Jozef Stefan Institute, Ljubljana, 27-31st March 2023

Etiquette and logistics

Presentation logistics

- Hybrid workshop: Mix of in-person and remote

- Remote questions only via text (based on previous experience)

- Chairperson to read Zoom questions

- Speakers: Please make slides available in Indico (before or post-factum)

FTS days: What to expect ?

Day 1: Overview of the project
     Site reports

Day 2: FTS as-used by user communities
     Planning session (interactive)
     Reflections on everyone's favorite subject: Monitoring

Day 3: Open discussion on your favorite (FTS or not) topic
