# Meeting Details (Covid-19 matters)

Face to face **meetings should be avoided** wherever possible

# Meeting summaries

The co-chairs try to take notes for the meetings, but since we sometimes might be busy running the meeting the notes can possibly be lacking:

  - We started **recording** the sessions **LIVE** so we can integrate the videos into the agenda as well
- **Some of the videos available for 2021 (uploading & processing 2020)**
