

Session Program

27-30 Sept 2010

**Prospects For Charged Higgs Discovery At
Colliders (CHARGED 2010)**

***Contributed talks on charged Higgs search
strategies and systematic***

Uppsala

Thursday 30 September

09:30

Contributed talks on charged Higgs search strategies and systematic

Session | **Location:** Uppsala

09:30–09:50

Systematics in charged Higgs searches in ATLAS

Speaker

Simonetta Gentile

09:55–10:15

Systematics in charged Higgs searches in CMS

Speaker

Lauri Andreas Wendland

10:20–10:40

ATLAS discovery prospects for the charged Higgs in the $H^{\pm} \rightarrow \tau \nu$ final state

Speaker

Miika Klemetti

10:45–11:15

Coffee Break

11:15–11:35

ATLAS discovery prospects for a light charged Higgs in the $H^{\pm} \rightarrow c \bar{s}$ channel

Speaker

Dr Un-ki Yang

11:40–12:00

Charge Higgs physics at CLIC/ILC

Speaker

Marco Battaglia

12:00
