

Session Program

26 January 2007

Joint LHC Machine-Experiments workshop on the luminosity monitoring and measurement

Afternoon Session

CERN, AT auditorium

Friday 26 January

14:30

Afternoon Session

Session | **Location:** CERN, AT auditorium

14:30–14:55

LHCf: Luminosity monitoring and measurement

Speaker

Dr T. Sako

15:00–15:25

TOTEM: Luminosity monitoring and measurement

Speaker

Dr M. Deile

15:30–16:00

coffee break

16:00–16:25

LHC Machine: Luminosity monitoring and measurement

Speaker

Dr H. Burkhardt

16:30–16:55

Machine-Experiments data exchange

Speaker

Dr D. Swoboda

17:00–17:20

Conclusions

Speaker

Dr M. Ferro-Luzzi

17:30
