

First workshop on "Perceiving the Emergence of Hadron Mass through AMBER@CERN" (EHM2020/1)

Perceiving the Emergence
of Hadron Mass through

AMBER@CERN

30 March 2020 to 2 April 2020
CERN, Geneva - Switzerland

Contribution ID: 10

Type: not specified

Drell-Yan measurement at AMBER - Studying the hadrons structure

Monday 30 March 2020 15:05 (25 minutes)

Presenter: QUARESMA, Marcia (LIP Laboratorio de Instrumentacao e Fisica Experimental de Part)

Session Classification: Afternoon session
