

First workshop on "Perceiving the Emergence of Hadron Mass through AMBER@CERN" (EHM2020/1)

Perceiving the Emergence
of Hadron Mass through
AMBER@CERN

30 March 2020 to 2 April 2020
CERN, Geneva - Switzerland

Contribution ID: 19

Type: **not specified**

Calculation of pion/kaon-nucleus induced Drell-Yan process from a basis light-front approach

Tuesday, 31 March 2020 14:50 (25 minutes)

Presenter: ZHAO, Xingbo (Institute of Modern Physics, Chinese Academy of Sciences)

Session Classification: Afternoon session
