

First workshop on "Perceiving the Emergence of Hadron Mass through AMBER@CERN" (EHM2020/1)

Perceiving the Emergence
of Hadron Mass through

AMBER@CERN

30 March 2020 to 2 April 2020
CERN, Geneva - Switzerland

Contribution ID: 22

Type: **not specified**

Quark mass function from a OGE-type interaction in Minkowski space

Tuesday 31 March 2020 17:10 (25 minutes)

Presenter: BIERNAT, Elmar (Instituto Superior Tecnico, Universidade de Lisboa)

Session Classification: Afternoon session
