

First workshop on "Perceiving the Emergence of Hadron Mass through AMBER@CERN" (EHM2020/1)

Perceiving the Emergence
of Hadron Mass through

AMBER@CERN

30 March 2020 to 2 April 2020
CERN, Geneva - Switzerland

Contribution ID: 25

Type: **not specified**

Spectroscopy via Lattice QCD

Wednesday, 1 April 2020 14:25 (25 minutes)

Presenter: BRICENO, Raul (Thomas Jefferson National Accelerator Facility)

Session Classification: Afternoon session
