

First workshop on "Perceiving the Emergence of Hadron Mass through  
AMBER@CERN" (EHM2020/1)

Perceiving the Emergence  
of Hadron Mass through  
**AMBER@CERN**

30 March 2020 to 2 April 2020  
CERN, Geneva - Switzerland

Contribution ID: 26

Type: **not specified**

## An Experimental Observable to Trace the Mass from pQCD to Strong QCD

*Wednesday 1 April 2020 14:50 (25 minutes)*

**Presenter:** GOTHE, Ralf

**Session Classification:** Afternoon session
