

First workshop on "Perceiving the Emergence of Hadron Mass through AMBER@CERN" (EHM2020/1)

Perceiving the Emergence
of Hadron Mass through
AMBER@CERN

30 March 2020 to 2 April 2020
CERN, Geneva - Switzerland

Contribution ID: 27

Type: **not specified**

Insight into EHM from Nucleon Resonance Electroexcitation and the Meson Structure Studies

Wednesday 1 April 2020 15:15 (25 minutes)

Presenter: MOKEEV, Victor (Thomas Jefferson National Accelerator Facility)

Session Classification: Afternoon session
