

First workshop on "Perceiving the Emergence of Hadron Mass through  
AMBER@CERN" (EHM2020/1)

Perceiving the Emergence  
of Hadron Mass through

**AMBER@CERN**

30 March 2020 to 2 April 2020  
CERN, Geneva - Switzerland

Contribution ID: 36

Type: **not specified**

## Meson spectroscopy from a basis light-front approach

*Wednesday 1 April 2020 17:10 (25 minutes)*

**Presenter:** ZHAO, Xingbo (Institute of Modern Physics, Chinese Academy of Sciences)

**Session Classification:** Afternoon session
