

First workshop on "Perceiving the Emergence of Hadron Mass through
AMBER@CERN" (EHM2020/1)

Perceiving the Emergence
of Hadron Mass through
AMBER@CERN

30 March 2020 to 2 April 2020
CERN, Geneva - Switzerland

Contribution ID: 38

Type: not specified

**Power corrections to the Drell-Yan and Charmonium
 q_T -spectra at moderate transverse momenta from
Reggeized Partons**

Tuesday 31 March 2020 17:35 (25 minutes)

Presenter: SALEEV, Vladimir (Samara National Research University)

Session Classification: Afternoon session
