

NuInt 2022

Tuesday, 25 October 2022

Neutrino Flux - Convention Center (14:00 - 15:50)

-Conveners: Xin Qian

time	[id] title	presenter
14:00	[67] Hadron Production Measurements for Neutrino Experiments	NAGAI, Yoshikazu
14:30	[84] Hadron Production Measurements with EMPHATIC	LACKEY, Teresa
14:50	[28] ENUBET: a monitored neutrino beam for high precision cross section measurements	Prof. LONGHIN, Andrea
15:10	[70] A substandard candle: the low-nu method at few-GeV neutrino energies	WILKINSON, Callum David
15:30	[55] The MINERvA Flux Prediction	KLUSTOVA, Anezka
