

# NuInt 2022

## Tuesday, 25 October 2022

### Modelling on Neutrino-Nucleus Interactions - Convention Center (10:50 - 12:30)

-Conveners: Jorge G. Morfin

time	[id] title	presenter
10:50	[59] Modeling neutrino-nucleus interaction uncertainties for DUNE long-baseline sensitivity studies	MUNTEANU, Laura
11:15	[77] Modelling neutrino-nucleus interactions for the T2K experiment (rescheduled on Thursday morning)	Dr DOLAN, Stephen
11:40	[68] Constraining the neutrino interaction model using near detector data in the T2K experiment	WRET, Clarence
12:05	[54] Deep inelastic interactions simulation in NEUT	BRONNER, Christophe
