

# UZH MACHINE LEARNING WORKSHOP

**UZH Irchel Campus  
Room Y10-G-03/04**

**NOVEMBER 16th - 18th**

**Staff: Vinicius Mikuni,  
Davide Lancierini & Darius Faroughy**

The workshop aims at showcasing the work of young researchers at the University of Zurich that intend to use (or are currently using) Machine Learning (ML) to enhance the results of their research, while also providing a hands-on session as an example how advanced ML tools are used in practice.

Funding by the UZH Graduate Campus via a GRC Short Grant is gratefully acknowledged.
