? How do we access / now about the submitted abstracts ?

Combined sessions.

Discussed over email with WG3/WG6 conveners

For the WG4+WG6, we will send out 3 invitations:

- HV-MAPS (mu3e/P2/Atlas/...)
- Straw Tubes (COMET/Mu2e/...)
- General talk on detector technology with high intensity muon beams (Sarah Demers)

For the WG3+WG4 session, we will send out 3 invitations

- High intensity muons at PSI
- Cold muon beams at PSI
- Muon LINAC at JPARC

A Fermilab muon g-2 beam talk can moved into this session. WG3 has a dedicated session for MICE
