

SPEAKERS COMMITTEE REPORT

Despina Hatzifotiadou
INFN Bologna, Italy

On behalf of the Speakers and Publications Committee

THE DUTIES OF THE SPC (SPEAKERS AND PUBLICATIONS COMMITTEE)

- Overview on and collection of relevant events (conferences, schools, exhibitions)
- Collection of event and publication material
- Follow-up of the whole process and quality assurance
- Submission of abstracts, write-ups, publications etc.
- Circulation of material within IPPOG
- Organisation of talk rehearsals and circulation of draft talks
- Assignment of speakers
 - Make sure that all partners are well represented
 - Take into account possible lack of funding
 - Encourage and prioritize active people
 - Ensure quality assurance

.....

Document defining the mandate of the SPC was drafted during the IPPOG Meeting at Fermilab in Spring 2013

- 2. **International Particle Physics Outreach Group: Reaching across the globe with science** / [Goldfarb, Steven](#) (University of Melbourne (AU))
The International Particle Physics Outreach Group (IPPOG) is a network of scientists, science educators and communication specialists working across the globe in informal science education and outreach for particle physics. The primary methodology adopted by IPPOG requires the direct involvement of scientists active in current research with education and communication specialists, in order to effectively develop and share best practices in public engagement [...]

International MasterClasses (IMC), an outreach activity of the International Particle Physics Outreach Group (IPPOG), has been bringing cutting-edge particle physics research to schoolchildren for over 15 years now. All four LHC experiments participate in the event, including ALICE, the experiment optimised for the study of heavy-ion collisions. [...]

CONFERENCES IN 2020

APS April Meeting 2020

- “A Neutrino Pathway to Particle Physics Outreach and Education” *presented by Ken Cecire*

ICHEP2020 28 July – 5 August (scheduled in Prague, will take place via videoconference)

Submitted

- “The International Particle Physics Outreach Group – Reaching Across the Globe with Science”
by the IPPOG Collaboration to be presented by Steve Goldfarb
- “Current Status of International Particle Physics Masterclasses”
by the IPPOG Collaboration to be presented by TBA
- “Global Cosmics”
by the IPPOG Collaboration to be presented by TBA
- “Nurturing Girls’ Interest in Science with Particle Physics Masterclasses”
By Uta Bilow on behalf of IPPOG

Other major conferences in 2020?

ESOF 2020 204 September 2-6 Trieste, Italy ? (postponed from July)

(Many conferences postponed to 2021)

CONFERENCES IN 2021

LHCP2021 1-12 June 2021 Paris, France

(Large Hadron Collider Physics Conference)

EPS HEP 2021 21-28 July 2021 Hamburg, Germany

(European Physical Society High Energy Physics Conference)

QCHS 2021 2-7 August 2021 Stavanger, Norway (postponed from 2020)

(Quark Confinement and the Hadron Spectrum)

PANIC 2021 30 August – 3 September Lisbon, Portugal (postponed from 2020)

Quark Matter 2021 3-9 October 2021 Krakow, Poland

THANKS TO ALL PEOPLE CONTRIBUTING TO CONFERENCES

THANKS TO PREVIOUS SPC MEMBERS AND CONVENERS

**Concerning upcoming conferences : if you are going,
why not present also on behalf of IPPOG – communicate with SPC**

... and

THANKS FOR YOUR ATTENTION
