

Session Program

5-12 Feb 2023

Indian Institutions-Fermilab Neutrino School ***session-2***

NISER

Sunday 5 February

11:00

12:30

session-2: Introduction to Neutrino Physics (Expt)

Session | **Location:** NISER

Monday 6 February

11:00

12:30

session-2: Neutrino Cross Section

Session | **Location:** NISER

Tuesday 7 February

11:00

12:30

session-2: Neutrino Beam and fluxes

Session | **Location:** NISER

Thursday 9 February

11:00

12:30

session-2: Neutrinoless double Beta decay

Session | **Location:** NISER

Friday 10 February

11:00

12:30

session-2: Neutrinoless double Beta decay

Session | **Location:** NISER

Saturday 11 February

11:00

12:30

session-2: Sterile Neutrino

Session | Location: NISER
