

ATLAS MDT SYSTEM RESTART IN CASE OF STOP

- System stop less than 4.5 hours -> restart
- System stop more than 4.5 hours, contact MDT gas expert and discuss the situation
- If MDT expert cannot be reached system will stay off till next working day.
- MDT expert - Philipp Fleischmann 169676
- If system will be restarted after stop longer than 4.5h there is a risk of damaging chambers.
