

Coalescence–correlations relation: B2 vs. HBT/radii

Tuesday 19 May 2020 14:00 (1 hour)

Discussion of the EXP effort to test the predicted relation between pair correlations and coalescence yield.
Main questions for TH and for the analysis, results and discussion.

Presenters: HOHLWEGER, Bernhard (Technische Universitaet Muenchen (DE)); HOHLWEGER, Bernhard (TUM)
