

TECHNICIMES

BUREAU D'ETUDES ET D'IDEES

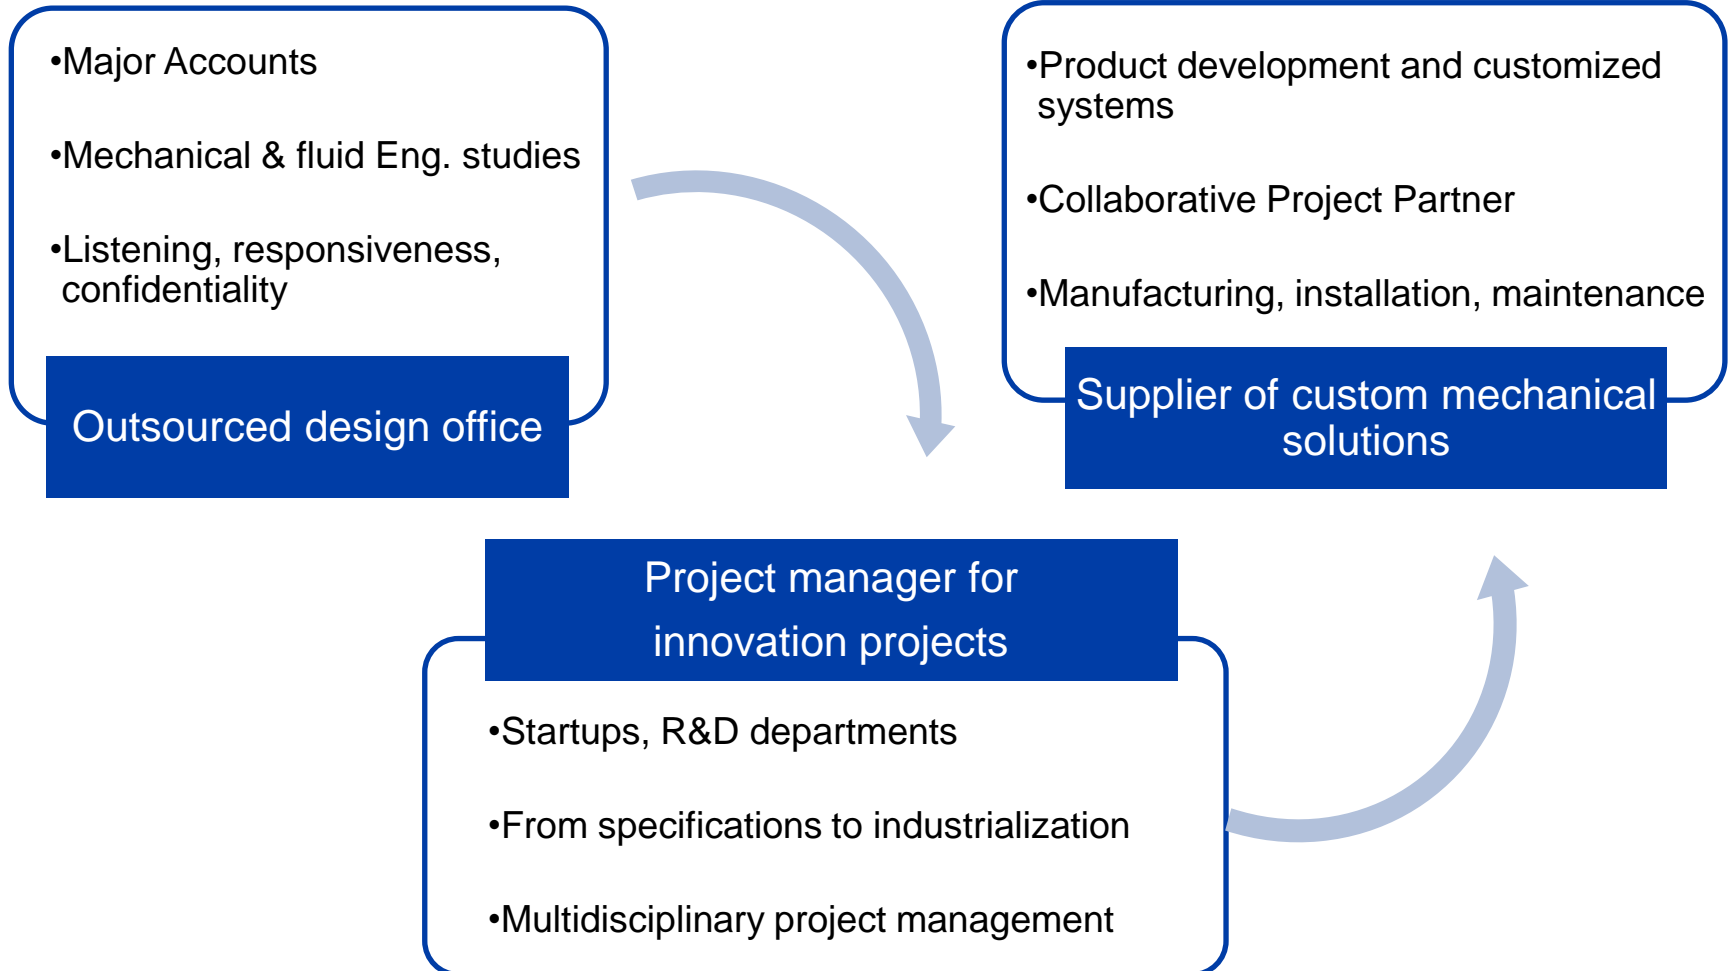

- ✓ **30 years of experience**
- ✓ **30 min from Geneva**
- ✓ Innovative and tailor-made solutions for complex **mechanical systems**
- ✓ Ability to **integrate multidisciplinary innovative projects**

Meeting the challenging expectations of customers evolving in constraint environments is at the heart of our DNA.

Tel. 0033 4 79 37 57 07 - www.technicimes.com

What we do

Our expertise

Project management

Engineering studies

Kinematics

Fluid - Tightness

Locking systems

Magnetic flux

Pressurized systems

Transverse expertise

Functional Analysis
Specifications

Digital Twins

UX design/ Ergonomics

Ecodesign – LCA

Tailor-made solutions

Pressure, Measuring &
Laboratory equipments

Reengineering

Assembly

Maintenance

Credentials

Prescriber Partners
