

Session Program

4-10 Apr 2022

QM 2022

Plenary Session IV: Collectivity

Auditorium Maximum UJ
Krakow, Poland

Friday 8 April

09:00

Plenary Session IV: Collectivity

Session | **Location:** Auditorium Maximum UJ, large aula A | **Convener:** Larry McLerran

09:00–09:30 **Initial state and approach to equilibrium (TH)**

Speaker

Michał Spaliński

09:30–10:00

Experimental review of collective phenomena in different collision systems (EX)

Speaker

Soumya Mohapatra

10:00–10:30

Theoretical developments on system size dependence of collective phenomena (TH)

Speaker

Giuliano Giacalone

10:30
