

12th Workshop on Picosecond Timing Detectors for Physics and Medical Applications

LOC Meeting

**Universität
Zürich**^{UZH}

C. Betancourt

Universität Zürich

12.03.2020

- ▶ Coronavirus has created large uncertainty over planning in the next coming months, we have three options
 1. Continue as planned
 2. Delay the workshop
 3. Cancel the workshop

→ Stick to 1, reassess in the coming weeks
- ▶ Vasilije Perovic (ETH) can no longer participate
- ▶ Abstract submission and Registration are open
- ▶ Wolfram is organizing the poster
- ▶ Need to gather a list of hotels and inquire about block booking
- ▶ Need to find out about VISA and entry to Switzerland for attendees
- ▶ I'm still looking into appropriate restaurants for the dinner
- ▶ Need a simple registration packets that includes:
 1. Name tag and registration certificate
 2. Program with timetable
 3. Pen and paper
 4. Map of the city and tourist information
- ▶ Costs
 - Coffee Breaks (2/day): 50 CHF/person
 - 15 CHF/person for lunch per day, 45 CHF/person
 - ~ 5k CHF + restaurant (~ 15k CHF)
