

Welcome to HEPiX Autumn 2020

Peter van der Reest
European co-chair

2020-10-12

Programme

- All regular tracks are present
- Workshop will be running from Monday through Thursday
 - Full program available online – www.hepix.org will always point you to the current event
 - Please check for updates in the timetable (force-reload in browser!)
- Morning sessions primarily aimed at Asia & Europe
 - 09:00h – 12:00h CEST
- Evening sessions primarily aimed at North America and Europe
 - 17:00h – 20:00h CEST
- All sessions will be recorded and made available online

An online meeting...

...calls for video conference etiquette

- Mute your microphones at all times during presentations
- Please have your video stream disabled unless you are the speaker or the session chair
- During Q&A please activate your camera and microphone when asking a question
- Use the “hand” symbol in Zoom to make a request for questions
 - The session chair will call on you to pose your question
- For general comments do **not** use the Zoom chat
 - Only for urgent matters like bad audio or no slides visible etc

Comments and Discussions

- Of course HEPiX thrives on offline discussions and brief ‘coffee break’ exchanges
- These are –unfortunately- not possible this week; at least not in person
- Use the Google shared document at <https://docs.google.com/document/d/1IUul2xC3JGPLqwxxdqdqWB3su6BHm4qvXgiehlcrGec/edit?usp=sharing>
- Feel free to ask background questions to speakers, or initiate offline discussions with people sharing an interest

Group Photo

- Sebastian Lopienski offered to host a group photo event
- Idea: all interested participants turn on their video stream
- Sebastian does a screen grab of all
- Then runs some clever scripts and produces a photo poster for all

- Two photo sessions before the breaks on Tuesday
- If you want to participate: turn on your video; if not: leave it off
- If you have participated in the first event, you do not need to be present for the second

Finally

Have a great HEPiX conference

Share your thoughts and feedback with us,
either in the Google Doc or
via Email at hepixonline-2020autumn-org@hepixonline.org
