Conference policies

Code of Conduct:

Participants of the LHCP2021 conference are required to comply with the CERN code of conduct [link](#)

The policy of the LHCP2021 conference, as for all events sponsored by International Union of Pure and Applied Physics (IUPAP), is that all participants should enjoy a comfortable experience, and that they will treat each other with respect at all times and behave professionally. In case of bad behaviour, including personal harassment, the conference organisers may, after due consideration, take such action they deem appropriate, including warning or expulsion from the conference. If you feel that you have suffered from harassment while attending this conference please contact:

Giovanni Marchiori: giovanni.marchiori@cern.ch

Roberto Salerno: roberto.salerno@cern.ch

This applies both to the live discussions during the conference sessions as well as in the chat room. For more details please refer to our conference policies web page [link](#)
