• This has been a wonderful week. We have enjoyed listening to the talks, viewing the posters and participating in the discussions.

• We are grateful to all of you who have come together this week, provided inspiration and motivation, and enabled LHC physics to shine.

• We appreciate that you’ve done this while dealing with the stress that the worldwide pandemic has imposed on all.

• And so, a big **THANK YOU** to all of **YOU** for making LHCP2021 a success!
• Many thanks to the **speakers** and **poster presenters** for the impressive work done in preparing and reporting the presentations at this conference!

• The talks and posters generated good scientific discussions throughout the week, in the best tradition of LHCP!
• The outstanding talks in both the plenary and parallel sessions showcased the breadth and diversity of the LHC physics program

• Many thanks to the **Programme Committee**
