

HSF WLCG Virtual Workshop on New Architectures, Portability, and Sustainability

Contribution ID: 6

Type: **not specified**

Validation

Wednesday 13 May 2020 17:00 (55 minutes)

- How to validate on multiple architectures?
- What's 'the same physics'?
- How to do this practically, testing each architecture and automating

Presenters: DI FLORIO, Adriano (Universita e INFN, Bari (IT)); OCHOA, Ines (Columbia University (US))

Session Classification: New Architectures, Portability, and Sustainability
