

# HSF WLCG Virtual Workshop on New Architectures, Portability, and Sustainability

Contribution ID: 6

Type: **not specified**

## Validation

*Wednesday, May 13, 2020 5:00 PM (55 minutes)*

- How to validate on multiple architectures?
- What's 'the same physics'?
- How to do this practically, testing each architecture and automating

**Presenters:** DI FLORIO, Adriano (Universita e INFN, Bari (IT)); OCHOA, Ines (Columbia University (US))

**Session Classification:** New Architectures, Portability, and Sustainability
