

We are almost at the end

of the most unique and  
amazing conference ever

# Some thank yous

To first responders and medical personnel everywhere

To all of you and (almost) everyone else for sheltering in place the past few months

# Thank you from Greta

Thank you for not flying  
to Amplitudes this year.  
We'll talk again next year.

# Thank you from Arvind

Thank you Nima for not breaking my record at Amplitudes MasterClass this year. We'll talk again next year.

The longest lecture marathon lasted 139 hr 42 min 56 sec and was achieved by Arvind Mishra (India) at Graphic Era University, in Dehradun, India, from 1 to 7 March 2014. The lecture topic was on scientific computation.
