

Safety instructions to be read out loud to the visitors

- All visitors must be registered at CERN before access to any CERN site is possible. Visitor badges, displaying the visitors name, can be collected at the CERN reception (Meyrin) or at the CMS site (Cessy). Visitors must wear their visitor badge at all times during the visit.
- **Flat or block-heeled, closed shoes** are required to be worn during the underground visit.
- **Personal Protective Equipment**, such as official CMS visitor helmets, will be provided for you and are the only ones to be used during the tour. FFP2 masks will be made available as well.
- Please respect basic hygiene measures (i.e. hand hygiene, barrier gestures). In case you experience any COVID-19-related symptoms, or tested positive, within 7 days prior to your visit at CERN, please inform CMS Visits for proper contact tracing and isolation.
- Persons equipped with any **Active Implantable Medical Device** (AIMD), such as cardiac pacemakers, defibrillators, neurostimulators, infusion pumps, hearing aids, etc, should contact us before the visit. These persons will not be allowed in the underground premises if the devices are sensitive to static magnetic fields.
- In order to ensure the protection of **pregnant visitors**, their visit to the underground facilities might not be allowed.
- People suffering from **claustrophobia** or **epilepsy** should contact us in advance of their visit. They might not be allowed underground.
- It is not possible to take bags or backpacks larger than 10 litres to the underground areas. CERN does not take any responsibility for items left unattended during the visit.
- Children below 8 y/o are not authorised to join the visit.
- Children younger than 10 years old & persons not fit to climb stairways, should contact us in advance for safety reasons.
- No smoking, eating and drinking on the surface and underground tour, except in designated areas at ground level only.
- Please, make sure you stay with your guide during the whole visit. Should an alarm occur please follow the instructions given by your guide who will take you to the surface using the lift.
- For the safety of those working at or visiting the CMS site, we reserve the right to cancel visits on short notice.

If you are concerned by any of the above points, please let us know **without** needing to disclose any personal and/or medical data.
