

# South-East Europe Science Engagement

## ► Driving ideas

- **Connect people** through science and art
- **Motivate and maintain interest for science** in kids, youngsters and adults
- **Offer an optimistic look** at the future

## ► In recent years many activities on regional, state and local levels

- Exhibitions, festivals, Masterclasses, workshops, schools, seminars, lectures
- Frameworks: Art&CMS, ORIGIN, Cultural Collisions, Train the Trainers ...
  - Particular thanks to **Michael Hoch**

## ► Now entering new phase

- Creating the network of organisations and people
- Widening the participation
- Structuring activities

## ► Project applications and fund raising

- COST, Erasmus, Citizen Science ...
  - Particular thanks to **Manolis Chaniotakis** and **Sofoklis Sotirou**
- Regional funds and organisations, UNESCO ...
