Intro to Overleaf for non-LaTeX Users

Wednesday 11 November 2020 16:00 (1h 30m)

Join Paul Gessler, one of the resident TeXperts from Overleaf, as he walks you through an introduction to
Overleaf for non-LaTeX users. During this tutorial Paul will show you how to get around the Overleaf dash-
board, how to recreate a report written in MS Word into Overleaf, the benefits of using Overleaf/LaTeX and
how easy it is to collaborate with your teams via Overleaf.

Session Classification: Overleaf Training
