

Happy Hour

Friday 26 June 2020 19:00 (2 hours)

Zoom meeting: <https://cern.zoom.us/j/7930190483> (password: see email)

Informal Happy Hour for everyone who wants to stick around. We won't provide any specific program; the idea simply is to chat a bit and have a drink together. However, if you wish to contribute to this Happy Hour in a particular way, e.g., by playing something on your guitar, teaching us your favorite cocktail recipe, or organizing a little pub quiz, please feel free to do so.
