

Zooming in on Axions in the Early Universe

Tuesday, 23 June 2020

Gauge fields: Morning session - Virtual only (10:00 - 12:00)

time	[id] title	presenter
10:00	[20] Lattice formulation of axion inflation: application to preheating	FIGUEROA, Daniel G.
11:00	[21] Morning coffee in the Virtual Axion Institute	

Gauge fields: Afternoon session - Virtual only (13:00 - 17:00)

time	[id] title	presenter
13:00	[23] Equilibration of the chiral asymmetry due to finite electron mass	SOBOL, Oleksandr
14:00	[22] Afternoon coffee in the Virtual Axion Institute	
15:00	[24] Two talks on axion-SU(2) inflation (Ira Wolfson, Leila Mirzaghali)	WOLFSON, Ira MIRZAGHOLI, Leila
16:00	[26] Thermal friction in early cosmology	BERGHAUS, Kim
