

Zooming in on Axions in the Early Universe

Friday, 26 June 2020

Gravitational waves: Morning session - Virtual only (10:00 - 12:00)

time	[id] title	presenter
10:00	[42] 1. Spontaneous Lepto/Baryogenesis & 2. Schwinger effect and Chiral anomaly	MUKAIDA, Kyohei
11:00	[47] Morning coffee in the Virtual Axion Institute (Enrico Morgante)	MORGANTE, Enrico

Gravitational waves: Afternoon session - Virtual only (13:00 - 17:00)

time	[id] title	presenter
13:00	[41] Primordial GWs from the axion-SU(2) gauge fields during inflation	FUJITA, Tomohiro
14:00	[44] GWs from axion preheating and SGWB reconstruction at LISA	PIERONI, Mauro
15:00	[43] Afternoon coffee in the Virtual Axion Institute (Sang Hui Im, Alexis Plascencia, Ogan Ozsoy)	IM, Sang Hui PLASCENCIA, Alexis OZSOY, Ogan
16:00	[45] Gravitational wave probes of axion-like particles	STEFANEK, Benjamin A.
