DHCAL software news

Gérald Grenier
IPN Lyon, Université Lyon 1

DHCAL Analysis/Software meeting, April 26th 2010

- Regular meetings on mondays at 3pm every 2 weeks.
- Should we keep the agenda as conferences or have a dedicated indico directory for that ?
- Preliminary version of the new PandoraPFA available (Manqi)
- Repository for Marlin Processors code and other software are in
https://svn.in2p3.fr/calice/analyse/trunk/SDHCAL-offline-tools/MARLIN_SDHCAL
