

Session Program

12 May 2010

Electromagnetic Mini-Workshop

Morning session on validation results

CERN, 32/S-C22

Wednesday 12 May

10:00

Morning session on validation results

Session | **Location:** CERN, 32/S-C22

10:30–11:00 **Introduction**

11:00–11:30 **Low energy physics validation**

Speaker

Paul Gueye

11:30–12:00 **Status of Goudsmit-Saunderson model**

Speaker

Dr Omrane Kadri

12:00–12:30 **New electron scattering results**

Speaker

Sabine Elles

12:30–13:00 **Validation of electron backscattering**

Speaker

Mr Anton Lechner

13:00
