Wednesday 27 October

09:00

Soft and hard diffraction at LHC

Session | **Location:** Nantes, Cité des Congrès <http://www.lacite-nantes.com/uk/contact.php>

09:00–09:40

Introduction to diffraction, review of diffraction from HERA and TEVATRON

Speaker

Dr B. Gay Ducati

09:40–10:15

Central Diffraction

Speaker

Valery Khoze

10:15–10:50

Photoproduction of Quarkonium

Speaker

Joakim Nystrand

10:50–11:10

Coffee Break

11:10–11:40

Diffraction charm production in pp and AA collisions at the LHC

Speaker

Dr B. Gay Ducati

11:40–12:05

Central diffraction in ALICE

Speaker

Dr Rainer Schicker

12:05–12:30

CMS: Status of diffraction and plans for 2011/2012

Speaker

Dr Jonathan Hollar

12:30–12:50

Higgs boson photoproduction in ultra-peripheral collisions

Speaker

Gustavo Silveira

13:00
